The LINDY Modular AV Face Plate System allows you to create your own custom face plates by using a combination of Snap-in Blocks and Keystone modules. Fit a Keystone Modules of your choice into this Snap-in Block and place it into a face plate along side other Keystone and Snap-in modules.

The range of modules provide a full range of solutions for AV, networking, voice and audio installations. The wide selection of modules and face plates can be custom configured giving you greater control and flexibility.

A [Dual Snap-in Block](#) is also available.

**Please Note:** LINDY Snap-in Blocks must be used in conjunction with a LINDY [Single Gang Face Plates](#) or [Double Gang Face Plates](#) as well as LINDY Keystones.
