

VGA Female to Female Snap-in Block

Part No.: 60480

Description

- VGA Female to Female connectors
- Allows VGA cables to be connected to a face plate
- Suitable for use with our range of snap in blocks and wall plates
- Gold plated pins on front and rear
- 2 year warranty

The LINDY Modular AV Faceplate System allows you to create your own custom face plates by using a combination of Snap-in Blocks and Keystone modules. Install this VGA Snap-in Block into a face plate along side other Keystone and Snap-in modules.

These modules provide a full range of solutions for AV, networking, voice and audio installations. The wide selection of modules and face plates can be custom configured giving you greater control and flexibility.

Additional required products...

Please Note: The LINDY Modular AV Faceplate System must be used in conjunction with LINDY Faceplates. Single Gang Faceplate or Double Gang Faceplate are also available.
