

# **ELIX**

## **Hand Cleaning Wipes**

**Article-No. 491.090**

### **Product description**

**ELIX** is a powerful and effective waterless hand-cleaning system combining a high quality orange based liquid formula with heavy duty and gently abrasive hand cleaning wipes.

### **Application**

In addition to normal dirt, **ELIX** will quickly remove heavy grease, oils, adhesives, tars, inks, waxes and many other difficult to remove contaminants for example coal dust, graphite and grass stains.

### **Advantages**

- 90 Wipes with a big format of 10,6x12,2 inch
- One-step powerful and effective cleaning process
- Strong action on stubborn dirt
- Wipes structure will not allow dirt transfer back onto your hands
- New citrus formula kills bacteria, dries fast and leaves a fresh smell
- Strong two-layer wipe having one abrasive side for efficient removal of heavy dirt and one soft side for gentler cleaning.
- Dermatologically tested

### **Please note**

For external use only. Do not allow towel contact with eyes. Keep away from heat sources. Keep out of reach of children.

### **Storage / Shelf Life**

Shelf life is 2 years if stored correctly.
