

# Delock Data and charging cable USB Type-C™ to Lightning™ for iPhone™, iPad™ and iPod™ blue 0.5 m MFi

## Description

This USB data and charging cable by Delock can be used to connect an iPhone™, iPad™ or iPod™ to a computer or laptop with USB Type-C™ or Thunderbolt™ 3 port, e.g. to a MacBook. The device is charged and data can be transferred.

The connection between Apple and Android devices is also possible.

## Fast Charge Support

With fast charge support, compatible Apple devices can also be connected to a USB Type-C™ PD charger for especially quick charging.

## MFi Certified

The MFi certification and the original Apple C94 connector guarantee full compatibility to all devices with Lightning™ connector.

0,5 m
