

Delock HDMI Automotive cable HDMI-A male to HDMI-E male 3 m 4K 60 Hz

Description

This HDMI cable by Delock is used to connect a display with HDMI-E automotive connector to the multimedia system of a vehicle. Video and audio signals are transmitted.

The HDMI-E connector has a locking mechanism and has been specially developed for the requirements in the vehicle sector. It can withstand temperature fluctuations and vibrations very well and prevents the ingress of dirt or moisture.

3 m
