Securely mount 2 desktop monitors to an office desk

Description

- Mount 2 monitors to a standard office desk
- Dual full motion arms for simple manoeuvrability
- Conforms to VESA standards (75 x 75mm and 100 x 100mm)
- Robust, lightweight metal pole with aluminium powder coated bracket
- 2 Year Warranty

The Lindy Dual Display Bracket with Pole and Desk Clamp is a high quality, all in one solution for mounting dual monitors or displays to a standard office desk or table. With a robust design and manoeuvrable arm, the displays can be easily tilted, pivoted or rotated to ensure the optimum viewing angle while also positioned suitably for the viewer.

This mount will fit most major brands and models of monitor that have a VESA size of 100 x 100 or 75 x 75mm. (Compliant to VESA standards - VESA measurements are the recesses on the back of your TV or screen. Please measure these to ensure your TV is compatible with this bracket).

Please note: Please confirm this bracket can support the display's VESA mounting dimensions and weight before ordering
