- 2 year warranty

The Lindy Full HD 1080p Webcam with Microphone is designed for video calls and conferences. Resolutions up to 1080p at 30 frames per second ensure smooth video and high resolutions alongside clear images thanks to a 6 layer glass coated lens.

Plug & Play installation means that users don't have to worry about complex driver installs, simply connect the Webcam and the installation will begin automatically by the operating system.

The webcam features a foldable clip, which makes mounting on displays and laptops easy, and a 1/4 inch tripod thread. The 360° swivel design offers even more flexibility in use. Sharpness can be adjusted manually by turning the silver focus ring. This Full HD Webcam is compatible with all common platforms like Skype, YouTube, Teams, Zoom, Facetime etc.
